AN OVERVIEW

Aqua accessories is an epitome in bathroom luxury. The company access was founded with a long term vision of manufacturing and supplying designer bath fittings of next generation. Our quality policy and our designing standards complement each

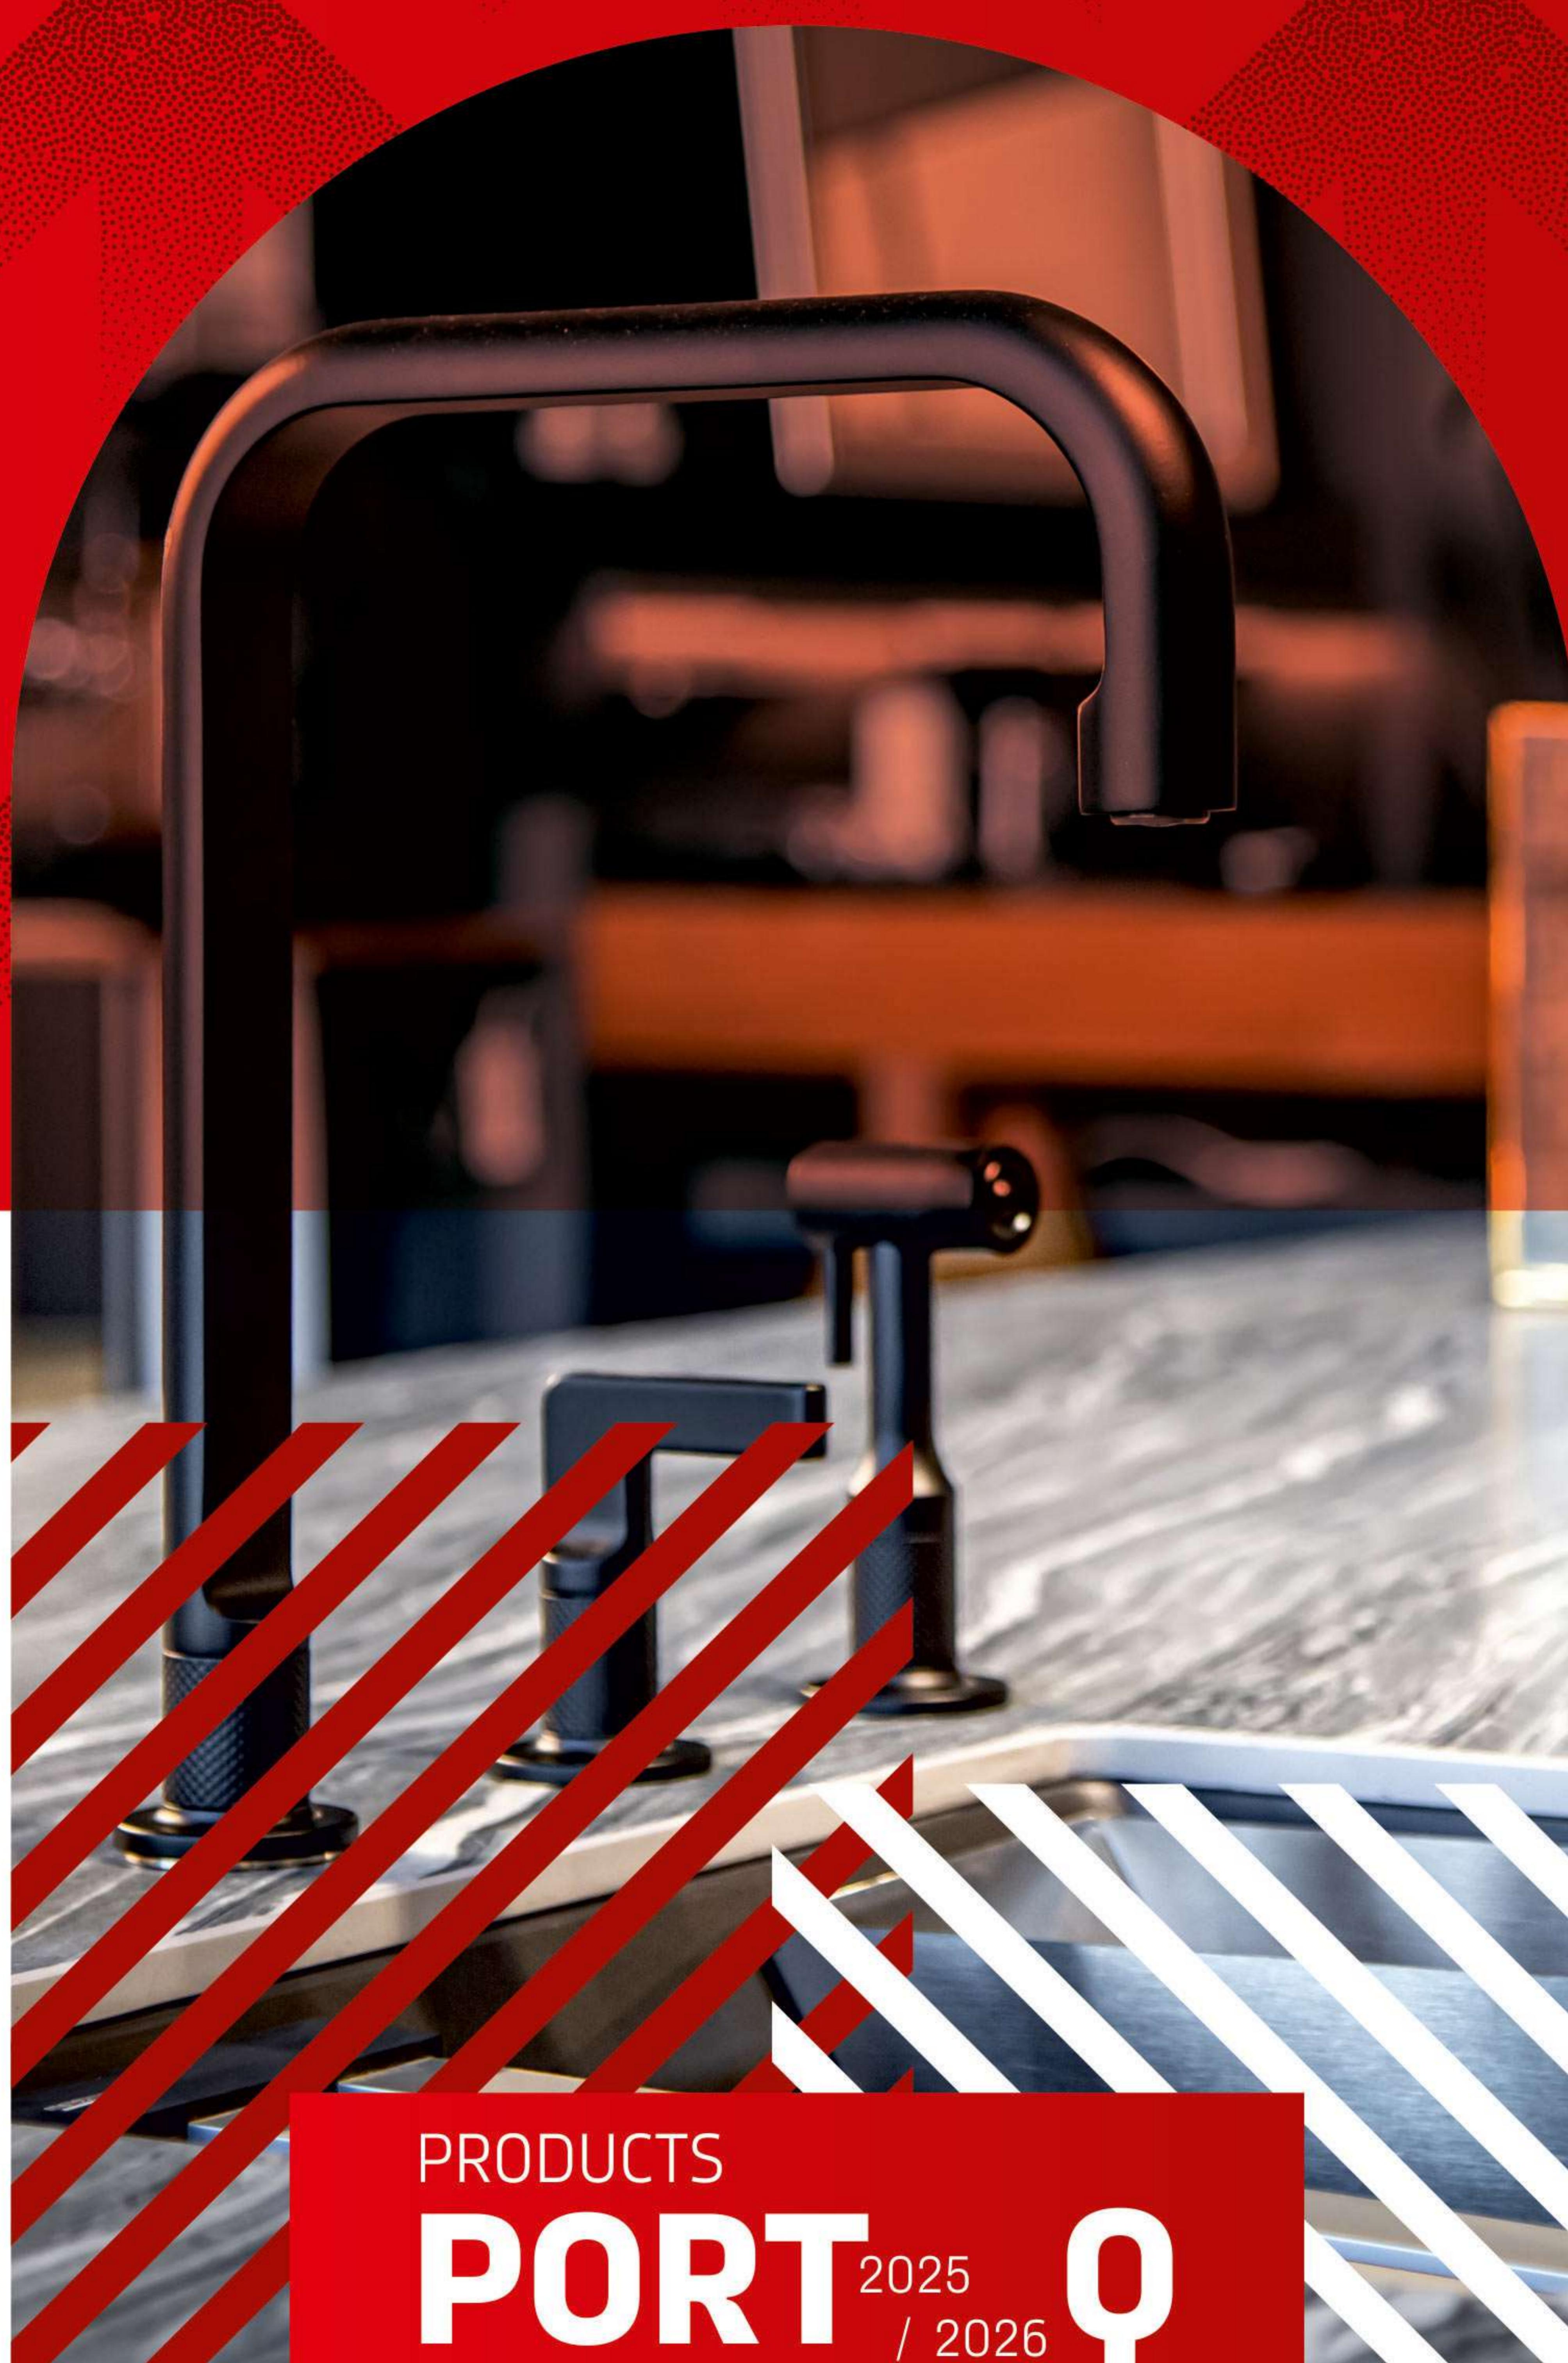

We have a state-of-the-art manufacturing facility confirming to the highest standards in the industry. Stringent quality standards are followed at every stage of production. Aqua Bath Accessories are tested for its perfection such that they look more an art piece rather than hardware. Superior raw material, accurate dimensions and premium finish confirm our products to international quality parameters.

The company offers a huge range of bath accessories in a number of applications and designs. Our trendy designs match the most contemporary bathrooms, giving a premium bathing experience. Our design studio boast of the best-in-class designers with vivid imaginations, a sharp understanding of usage and application and futuristic vision.
